THE BRAND LEGACY

VTP Realty is Pune's no. 1 real estate brand in terms of sales revenue in a financial year. A feat made possible due to the tremendous goodwill of decades and the well-earned reputation of being a trust-worthy turn-around specialist, that has taken over large project and made them viable and successful. The case in point being Township Codename Pegasus and Township Codename Blue Waters in East and West of Pune respectively.

The brand operates on the premise of thoughtfulness. Going beyond the obvious and easy and delivering delight through our product design, customer interaction, employee welfare and vendor engagement. Thoughtfulness has been a compelling differentiation for the brand and has been instrumental in building loyalty and preference amongst our customers.

We also benefit from the 35-years legacy of our group in the construction industry. We source 70% of our construction materials from our group companies through backward integration.
